## **1. BEFORE TRAVELLING TO PEELBERGEN**

- 1.1. Monitor and record the temperature of each of your horses twice a day for the 10 days leading up to the event (starting immediately if the event starts in less than 10 days) on the attached Temperature Record Sheet (annex 1).
- 1.2. Fill in the attached FEI Equine Health Self-Certification form (annex 2) and keep this form in the horse's passport.
- 1.3. Pack a thermometer and maybe a back-up thermometer too.

## **2. UPON ARRIVAL AT PEELBERGEN**

- 2.1. Park your truck at the directions of our parking attendants.
- 2.2. If you have a negative COVID-19 test certificate (the official test results must be less than 72 hours old. Self-tests are not permitted), please proceed to the accreditation point.
- 2.3. If you do not have a negative COVID-19 test certificate, please proceed to the COVID-19 test area located on the parking lot by foot. Here you can get tested (cost per test €50 euro excl. VAT).
- 2.4. At the accreditation point provide your negative COVID-19 certificate and your ID. After you've been given accreditation, you are allowed to enter the stable area. Please proceed to the stable managers office to check in. Here you will receive your Horse registration form, stable numbers, breakfast tickets and electricity ticket.
- 2.5. Now it is time to unload your horses (not your equipment!) and place your horses in the allocated stables (with or without first bedding).  
Please note that in the tents there is a one-way routing for the horses!
- 2.6. Fill in the Horse registration form and return the form to the stable managers office and place it in the designated box. This will prompt a veterinarian to come and check your horses. Wait at the stables and have your horses' passports, Equine Health Self-Certification form and thermometer ready.
- 2.7. If your horses are deemed acceptable by the veterinarian, you may unload your equipment. If your horse is not accepted, it will undergo a specific protocol in compliance with FEI VRs and flow chart.
- 2.8. At every horse stable we have provided a Temperature record sheet. Please fill in the required contact details and note the twice daily temperature checks on this sheet.
