TYPICALLY DUTCH

BROODJE FRIKANDEL

1,5

A frikandel is the most popular Dutch fast-food dish there is. It is a sort of minced-meat hot dog, but much tastier. It is deep fried and eaten on a bread roll (called a 'broodje frikandel') or on it's own with mayonnaise, curry ketchup and diced raw onions (called a 'frikandel speciaal').

BROODJE KROKET

1,5

A croquette (called a kroket) is the second most popular Dutch fast-food dish there is. A croquette is made from meat ragout covered in breadcrumbs. It is deep fried and eaten on a bread roll (called a 'broodje kroket') or on it's own topped with mayonnaise and or mustard.

BITTERBALLEN

3,0

Bitter balls sound far less tastier then they are. These bread crumb covered, deep-fried, crispy, bite-size balls filled with meat ragout taste even better with a good lick of savory mustard.

BORRELHAPJES (MIXED BITES)

3,0

A mix of deep-fried snacks: mini breaded bami & nasi bites, mini cheese souffle, bitter balls, mini crispy chicken bites, chicken nuggets, mini regular & spicy meatballs and mini frikandel.

FRIES WITH A SNACK

3,0

Portion of fries with a snack of choice: frikandel, croquette or cheese souffle

Portie friet & snack naar keuze frikandel, kroket, kaassouffle
